What does it mean to work with us? **SUCCESS:** Sixt is an IT company with a very large car pool. We are one of world's leading mobility providers with more than 100 years of experience, handling more than 2 bn EUR per year. Our inhouse development team, based in Munich/Germany, is the driving force behind the Sixt software which enables and optimizes the daily work of more than 6,000 employees in over 100 countries. We shape the future of mobility through innovation by using modern technologies! **SPEED:** Flat hierarchies and short decision paths enable us to be extremely dynamic and always one step ahead. **OWNERSHIP:** We ask you to take over responsibility & you'd be given a wide range of space to share & implement innovative ideas. **TEAM SPIRIT & INTERNATIONALITY:** We are an international team that wants to learn from each other. Participate in the daily business context, join our regular team events and enjoy IT talks, common conferences and spontaneous beergarden get-togethers.
